**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I was sick and tired of big heartless Internet and cable companies. For years I looked for alternatives but found none until Sonic came along. I jumped at the chance to go with them and moved my internet and phone service to Sonic.

Please do not take this away as I am quite happy with Sonic and cannot go back to Comcast or any large heartless company to again be cheated and lied to.

If service from Sonic is taken away I don't see myself having internet service at all at home.

It's simply not worth it to me.

Thank You,

Shaun McGonegal
